## DEPARTMENT OF VETERANS AFFAIRS

### Research Advisory Committee on Gulf War Veterans' Illnesses

#### Notice of Meeting

The Department of Veterans Affairs (VA) gives notice under the Federal Advisory Committee Act, 5 U.S.C., App. 2, that the Research Advisory Committee on Gulf War Veterans' Illnesses will meet on November 7, 2016, in Room 230 at Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC, from 9:00 a.m. until 4:00 p.m. (EST). All sessions will be open to the public, and for interested parties who cannot attend in person, there is a toll-free telephone number (800) 767-1750; access code 56978#.

The purpose of the Committee is to provide advice and make recommendations to the Secretary of Veterans Affairs on proposed research studies, research plans, and research strategies relating to the health consequences of military service in the Southwest Asia theater of operations during the Gulf War in 1990-1991.

The Committee will review VA program activities related to Gulf War Veterans' illnesses, and updates on relevant scientific research published since the last Committee meeting. Presentations will include updates on the VA Gulf War research program, along with presentations describing new areas of research that can be applied to the health problems of Gulf War Veterans. Also, there will be a discussion of Committee business and activities.

The meeting will include time reserved for public comments in the afternoon. A sign-up sheet for 5-minute comments will be available at the meeting. Individuals who wish to address the Committee may submit a 1-2 page summary of their comments for inclusion in the official meeting record. Members of the public may also submit written statements for the Committee's review to Dr. Victor Kalasinsky via email at [victor.kalasinsky@va.gov](mailto:victor.kalasinsky@va.gov).

Because the meeting is being held in a government building, a photo I.D. must be presented at the Guard's Desk as a part of the clearance process. Due to an increase in security protocols, and in order to prevent delays in clearance processing, you should allow an additional 30 minutes before the meeting begins. Any member of the public seeking additional information should contact Dr. Kalasinsky, Designated Federal Officer, at (202) 443-5600.

Date: October 3, 2016
